

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

In the Matter of the Application of SBC Pacific Bell Telephone Company (U 1001 C), a corporation, for Authority to Categorize Local DA Service as a Category III Service.

Application 02-07-050  
(Filed July 31, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING PROTECTIVE ORDER**

**Summary**

I grant the motion of SBC Pacific Bell Telephone Company ("PacBell") for a protective order covering confidential financial material filed under seal concurrently with its application for authority to categorize local directory assistance service as a Category III service.

**Background**

Pursuant to Section 583 of the Public Utilities Code<sup>1</sup> and General Order No. 66-C<sup>2</sup>, upon a showing of good cause therefore, the Commission may order

---

<sup>1</sup> Section 583 reads in relevant part: No information furnished to the commission by a public utility, or any business which is a subsidiary or affiliate of a public utility, or a corporation which holds a controlling interest in a public utility, except those matters specifically required to be open to public inspection by this part, shall be open to public inspection or made public except on order of the commission, or by the commission or a commissioner in the course of a hearing or proceeding.

<sup>2</sup> General Order 66-C reads in relevant part:

confidential information submitted to it to be sealed and not open to public inspection. The application and its exhibits contain confidential market data about the applicant's share of the local directory assistance market, its costs and the volumes of its service sold. Applicant asserts that public disclosure of this confidential information would place it in immediate danger of irreparable harm.

### **Discussion**

I grant PacBell's motion. Pursuant to the terms of General Order 66-C, a protective order is appropriate when an applicant would be placed at an unfair business disadvantage as a result of public disclosure of financial data required by the Commission in connection with an application.

**IT IS RULED** that PacBell's motion for a protective order is granted to the extent set forth below:

- A. The non-public versions of the application and its exhibits, which have been filed under seal as an attachment to the motion for protective order, shall remain under seal for a period of two years from the date of this ruling. During that period, the foregoing documents shall not be made accessible or be disclosed to anyone other than Commission staff or an interested party pursuant to an executed nondisclosure agreement, except on the further order or ruling of the Commission, the Assigned Commissioner, the Assigned Administrative Law Judge (ALJ), or the ALJ then designated as Law and Motion Judge.

---

Public records not open to public inspection include

(2.2) Records or information of a confidential nature furnished to, or obtained by the Commission. Such records or information shall include, but not be limited to:

- b) Reports, records, and information requested or required by the Commission which, if revealed, would place the regulated company at an unfair business disadvantage.

- B. If PacBell believes that further protection of this information is needed after two years, it may file a motion stating the justification for further withholding the material from public inspection, or for such other relief as the Commission rules may then provide. This motion shall be filed no later than 30 days before the expiration of this protective order.
